- Article 20 Lewis Hanson moved that the town vote to adopt the provisions of RSA80:58-86 for a real estate tax lien procedure. These statutes provide that tax sales to private individuals for nonpayment of property taxes on real estate are replaced with a real estate tax lien procedure under which only a municipality or county where the property is located or the state may acquire a tax lien against land and buildings for unpaid taxes. This motion was seconded by Kenneth Sorlien. After some discussion and an explanation of the tax lien by

Jessie foley, the tax collector, the motion was moved by Orion Bickford, seconded by Gladys Bickford. The vote was taken by paper ballot with the results 58 yes and 8 no. The moderator declared the vote in the affirmative.

Article 21 On motion of Aaron Smith and seconded by Robert Keren it was voted to clarify the vote of 1961 Town Meeting, to conform with the provisions of RSA 231:43, to completely discontinue the road formerly called Great Hill Road at Dog Corner, situated in West Centre Harbor running from Ashland-Winona Road to Hawkins Pond Road.

Article 22 Kenneth Sorlien moved that the town vote to protect a valuable and historical monument to wit, the Kona Fountain, by moving it approximately 40 feet southwest to a location in the middle of Main Street midway between the library corner and the Hanks property. Coincident with such a move would be continued refurbishing involving a re-circulation water system and a protective granite base plus a new winter cover. Cost of this project is to be borne by voluntary contributions, which the selectmen are hereby authorized to receive and expend, and town budgeted funds. Such amount to be determined. The motion was seconded by Priscilla Sorlien. After some discussion Aaron Smith moved that the motion be amended: delete after "Fountain" and replace with "That the Selectmen appoint a committee to study the moving of the fountain and report its recommendations to the selectmen for action at the 1989 Town Meeting." This was seconded by Edward Libby. A vote of the amendment was then taken and voted in the affirmative. The amended motion which now reads "The town vote to protect a valuable and historical monument, the Kona Fountain. That the selectmen appoint a committee to study the moving of the fountain and report its recommendations to the selectmen for action at the 1989 Town Meeting." The amended motion was voted in the affirmative.

Article 23 On motion of Aaron Smith and seconded by Bess Hanson the town voted to authorize the selectmen to accept private donations of land, interest in land or money to be deposited into the conservation fund for the purposes of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the N.H. Land Conservation Investment Program (LCIP)RSA 221-A and authorize the selectmen to apply for and accept the state matching funds under the LCIP for the purposes of acquisition of the fee or lesser in conservation land. Said appropriated or donated funds and state matching funds may be expended by majority vote of the Conservation Commission.

Article 24 On motion of Lewis Hanson and seconded by Douglas Anderson it was voted to allow a discount of two percent on taxes paid in full within fifteen(15)days of issue of the tax bills by the Tax Collector.

Article 25 On motion of Robert Heath and seconded by Ken Sorlien the town voted to authorize the selectmen to hire money in anticipation of taxes.

Article 26 On motion of Aaron smith and seconded by Gertrude Martin the town voted to authorize selectmen to apply for, receive and expend federal or state grants, which may become available during the course of the year, and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the town may legally appropriate money, provided: (1) that such grants and other monies do not require the expenditure of other town funds, (2) that a public hearing shall be held by the selectmen prior to the receipt and expenditure of such grants and monies, and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitations and expenditure of town monies, all as provided by RSA 31:05-b.

Article 27 On motion of Lewis Hanson and seconded by Maurice Collins, it was

voted to authorize the selectmen to sell property acquired by Tax Collector's Deed.

Article 28 No action was necessary on committee reports relative to this Article in the warrant.

At 9:50 P.M. George Burns moved the Town Meeting be adjourned. Edward Libby seconded and it was voted in the affirmative.

The oath of office was taken by all the elected officials.

AUDITORS' REPORT

We hereby certify that we have examined the Town accounts and have audited them as required by the New Hampshire Department of Revenue Administration, Municipal Services Division. These accounts were correctly cast and properly vouched.

All accounts were found to be in good order. Minor problems were satisfactorily resolved and we were able to complete our audit prior to publication of the 1988 Town Report.

The Municipal Services Division of the Department of Revenue Administration revised the Town Audit reporting forms, as we requested last year, for which we thank them. We also thank the selectmen for their support of that request.

The Board presided over -

47 Sub-division hearings
17 Site Plan Review hearings
11 Preliminary consultations
and reviewed -
67 Construction permits
14 Wetland applications.

Work is progressing with the up-date of the Town Plan with the able assistance of the Lakes Region Planning Commission.

The Board extends its' gratitude for service to Diane Kline and Ellis Frank, who resigned for personal reasons after many years of dedicated service. We wish to welcome Frank Francher to the Board.

Our thanks go out to the voters for their support of the changes to the Zoning Ordinances offered by the Planning Board. We also extend our appreciation to Ken Sorlien of the Lakes Region Planning Commission for his input which helps the Board to keep informed of regional activities that may affect Centre Harbor. Appreciation is also extended to Clerk Joan Taylor without whose able assistance the Board would be unable to fulfill its mission.

Submitted for the Board,

JAMES E. NICHOLAS MEMORIAL LIBRARY
Annual Report of the Trustees
1988

The Trustees have met regularly each month on the third Wednesday, at the library. Low attendance caused February to be an exception.

In March new Trustee Carolyn Harlow was welcomed by the Board. This new member brings the total member of Trustees to seven, an uneven number, as required by the State.

Assistant Librarian Beverly Pocock found it necessary to resign for reasons of ill health. She was replaced by Jackie Kelley.

The overgrown spruce trees in front of the Library were removed (as voted by the Trustees and for which a public hearing was held) by the Town Road Agent. In the spring new trees and shrubs were planted in very attractive new beds in approximately the same area, by a local landscaping company.

Several pieces of correspondence have been exchanged with the Bay District Sewer Commission regarding what is believed to be an excessively high tax on the building. A satisfactory agreement has yet to be achieved.

It was voted in June to hire a window cleaning company to attend to that task annually. Eventually a local concern was contacted and a very satisfactory job was completed.

August saw the Library joining "The Five Rivers Area Automated Library Network of the North Country." (Possible computer hookup in the future being the objective.)

October saw an increase in the winter hours the Library would be open, from 12 to 15. Monday afternoon, from 2-5 was added to the schedule. This was a request of the Librarian, Gertrude Martin, who felt school students would benefit from this change.

Major repairs to the tile and copper roof by a Manchester firm whose expertise in this field is well know, were started.

The Children's Story Hour held on Wednesday afternoon has been dropped from the schedule due to lack of interest by the volunteer readers.

In December a Bronze Placque declaring the building on the National Register of Historic Places, was purchased with enthusiasm by the Trustees. It will be mounted outside on one of the granite blocks of the building. This is the first Centre Harbor Town building to have a placque in recognition of its status on the National Register.

Trustee Robert Furey submitted his resignation which was accepted with regret.

In summation, it is believed by the chairman that the Board of Trustees and the Librarian have managed the affairs and care of the Library and it's contents in a very fine manner, much caring thought went into each and every decision.

CENTRE HARBOR FIRE DEPARTMENT

1988

Thanks to an alert citizenry, the fire department answered only six calls to structure fires in 1988. Hopefully, the fire prevention message is paying off! There are many factors in the fire equation, and one of the most important is quick notification. For any kind of fire or other emergency, call immediately for help, and only then do what you can to alleviate the situation. The fire department is always ready to respond, but you must call quickly to get help on the scene. The Mutual Aid number is 524-1545.

This year we will be putting a new truck in service. It will be a combination tanker-pumper with a 1250 GPM pump and carrying 1000 gallons of water. Upon arrival of the new piece, our present attack truck, 5M-3, will be moved to the town garage station at the intersection of Routes 25B and 3. This move should give the middle and western sections of town even better coverage.

One of the biggest problems that the fire department is struggling with is water sources. We have sufficient trucks and excellent pumps, but when we can't get to a water source they are useless. Property owners who border lakes or streams should see to it that the fire department has access to the water supply. There are many instances in this town where the fire department is blocked from a water supply by a tree or a rock. Home owners must remember that their insurance rates are set not by their proximity to the water, but by the fire department's access to it.

Not many years ago, the fire department responded only to fires. Today it's a whole new "ballgame". We respond to rescues, vehicle accidents, medical emergencies, and our latest responsibility, control of hazardous materials. (vis. haz-mat)

In 1986, President Reagan mandated that every fire department in the country must take haz-mat training for 24 hours each year. Under the law called "SARA, Title III. (Superfund Amendments and Reauthorization Act of 1986), every community must set up a haz-mat committee and develop a plan for the protection of its citizens in case of a serious haz-mat incident or any type of natural disaster. In Centre Harbor, the committee is now working on the plan and hopes to have it completed by early summer '89. Regular reports may be found in the Centre Harbor column of the Meredith News. The haz-mat committee is an open committee, and anyone may come to any meeting. Input from any citizen is always welcome. Meetings are held in the Cary Mead Room the second Tuesday of each month.

There are many factors which influence the success of a fire department. It goes without saying that the members must be thoroughly trained in every aspect of the job, but beyond that, consider the following things, most of which are beyond the fire department's control: the time of year, the weather, the time of day, the promptness of the call, the time of ignition, the distance to the scene, the type of fuel, the amount of fuel, the area of involvement, the presence of exposures, the risk to lives, the number of men available to respond, the access to a water supply, etc., etc., etc. All these things and more figure into the fire equation every time the fire department responds; and to compound the problem, no two calls are actually the same.

Whether a fire department responds to six calls a year or a hundred, its members must be trained to the same high level of competence in order to give the community the type of protection that it deserves. In small towns the fire department depends upon volunteers.

Today the volunteer fire service is in trouble. Volunteerism is quickly but surely becoming a thing of the past, and this is not just a local problem. It is nationwide. Most young people now work two, and even three jobs in an effort to survive. They simply do not have the time to do volunteer work. The time has come for small towns to take a serious look at this problem. If the volunteer fire service is to survive and flourish, municipalities must assign it to their high priority list. The "sixty-four thousand dollar question" seems to be, "What level of fire emergency protection does the community feel that it needs?" With federal, state, and other regulatory agencies mandating the programs, the fire department will not only become very sophisticated, but very expensive. The Centre Harbor selectmen are very much aware of this problem and are working closely with the fire department in an effort to solve it.

All property owners should be aware of the fact that we, in Centre Harbor and in all of New Hampshire, operate under an adopted state fire code. This includes both the BOCA basic fire prevention code and the N.F.P.A. life safety code 101, as well as the codes relating to heating equipment, electrical installations, chimneys and fireplaces, unvented space heaters, and smoke and heat detectors. Anyone having questions should check with the town office or the fire department. To proceed in ignorance may jeopardize your insurance policy, and place you in violation of the law.

The officers and firefighters of the Centre Harbor department wish to thank all who have supported our efforts through the years. We especially commend our Mutual Aid neighboring towns who are ready to roll to a call for help in a moment's notice.

If you need our help, call quickly. We're always ready to roll!

LEWIS WOODAMAN, Chief
Centre Harbor Fire Department

REPORT OF THE TOWN FOREST FIRE WARDEN
and
STATE FOREST RANGER

Between July 1987 and June 1988, we experienced more fires than usual. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning. All causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations: however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden, Concord Forest Protection Headquarters at (603)271-2217, or local Forest Ranger.

On January 1, 1989, the Deceptive Forestry Business Practices Law (RSA 224:54) goes into effect. This law, in summary, states that a person is guilty of a misdemeanor if, in the course of buying or selling a forest product, uses a false weight or measure for falsely determining any quality or quantity of a forest product. For more information, contact one of the persons mentioned above.

PARKS AND RECREATION DEPARTMENT

In April the annual Easter party was held at the Cary Mead Room and firehouse. Many games were enjoyed, as well as the Easter Egg Hunt and a Stuffed Animal contest.

The Memorial Day parade was highlighted by the Inter-Lakes Jr.-Sr. High School Marching Band, with the area veterans leading. Reverend Joe Parkman spoke at the Nichols Memorial Library and at the Centre Harbor Town docks and Lakeview Cemetery.

On the Fourth of July the very popular annual foot race drew about 250 participants who competed in the childrens' race, the two-mile and five-mile races. Each entrant obtained a T-shirt, courtesy of Ronald Ulm and the Centre Harbor Sport Shop. Trophies were awarded to the winners.

The Fourth of July parade hwd in the afternoon was again very popular and very well attended. Music for marching was offered by the Carl Marshall family. Entrants included firetrucks, decorated bikes, floats, costumed walkers, horses and their riders and antique cars. At dusk a beautiful display of fireworks over the water completed a fun-filled day.

The summer program sponsored by the Parks and Recreation Department included many local and summer children. Mountain and bike hikes were enjoyed, as well as tennis lessons at the new courts, and arts and crafts, volleyball and swimming lessons at the beach. An aerobics group met at the beach several mornings also. This year the new recreation area at Routes 25B and 3 was utilized. The softball field was used and enjoyed by the White Mountain Womens' Softball League, as well as several teams from the youth leagues.

The Red Cross swimming lessons were held at the town beach with over 100 children participating. Pre-beginner, beginner, intermediate, advanced and life-saving classes were offered. The four lifeguards rotated duty at the beach.

On October 31st the annual Halloween party was held at the Municipal Building. 70 children signed in for the jellybean contest, decorated pumpkin contest, costume parade, fishing game, musical chairs and other games.

At Christmas time, a fir balsam was set out on the Library lawn, which the Parks and Recreation committee decorated and lighted.

Our thanks are extended to the firemen of Centre Harbor and the many townspeople who volunteered their assistance whenever it was needed.

Special thanks to Carol Crane and Randy Mattson who will be added to the committee in 1989. In addition, Brian Murphy will also be joining them.

REPORT OF THE CONSERVATION COMMISSION

1988

Water quality testing in Centre Harbor Bay of Lake Winnepesaukee was again this year under the able direction of Commissioner Duke Kline. As in the past several years he had the valuable assistance of Commissioner Ingrid Smith. Cost of water analysis work performed by the "Fresh Water Biology Group" of the University of New Hampshire was shared again by the Moultonborough Conservation Commission. The report by UNH of this effort is available to be read at the town hall. More "stations" can be tested if willing volunteers come forward. Contact Duke Kline at 253-8733.

Centre Harbor participation in the New Hampshire Youth Conservation Camp came to naught in 1988. Because of "snow days", high school exam days were the same week as the Forest Society's camp time. In 1989 the Conservation Camp for young men and women ages 13 - 18 who have completed grades 8 - 12 will be held June 18th to 23rd. Students who wish to be considered for full tuition scholarships should contact Mrs. Thomas Power at 253-9504.

The second Household Hazardous Waste Cleanup was held Saturday, June 11, 1988. The Lakes Region Planning Commission served as coordinator for the six participating towns. Meredith Public Works Yard was the prime site for Centre Harbor, Meredith, Moultonborough and Sandwich, with a satellite site at Bristol for that town and New Hampton. Over 2000 gallons of hazardous materials were brought in again this year. That is 4000 gallons of waste we have kept out of our soil and groundwater in two years! We are convinced there is even more out there, so the next "Household Hazardous Waste Cleanup" is scheduled for Saturday, June 10, 1989.

The citizens of Centre Harbor can accept congratulations for their participation in the recycling operation at the Meredith Transfer Station. The Conservation Commission has continued to assist in keeping old household batteries out of the waste going to the trash-to-energy plant. The battery collection buckets are still at the town hall and at Heath's Hardware. Please put your old batteries in these buckets, not in your burnable trash.

The Conservation Commission serves as a local inspector for the State Wetlands Board, and 1988 seems to have been particularly busy. In addition to dock requests land developers and others have been targeting our Wetlands and their feeder streams for encroachment. We feel fortunate to have cooperation from the selectmen, the Planning Board and our new compliance officer Ken Ballance in our effort to protect our valuable wetlands.

The commission regretfully accepted the resignation of former Chairman Lee Mattson. We hope he will consider returning to duty.

REPORT OF THE COMPLIANCE OFFICER

Due to the increase in building and the various codes which have to be met, the selectmen in October appointed a compliance officer for the Town of Centre Harbor.

From October to December 31, 1988 the following inspections have been made:

Inspections for New construction	16
Inspections for Signs	2
Inspections for Ordinance violation	8
Requested by Planning Board	3
Requested by Selectmen	7
C/O	3
Inspections for Wetlands Board	3
Inspections at Senter's Market	9

REPORT OF KONA FOUNTAIN COMMITTEE

In accordance with the vote of the Town on Article 22 at the 1988 Town Meeting, the committee appointed by the selectmen "to study the moving of the fountain" has met several times and held an "open hearing" meeting duly notified in the Centre Harbor column of the Meredith News.

The Committee's recommendations are:

1. Move the fountain into the approximate middle of the Dr. Morrill Park. (Cost estimate - \$2500)
2. Provide footings, foundation and other landscaping to support the base and to enhance the new location.
3. Provide a recirculating water system and electrical system, using the basement of Nichols Memorial Library for the "works". (Cost estimate - \$2500)
4. Request the Centre Harbor Woman's Club to help maintain the landscaping and to fund the re-bronzing of the statue under the direction of an art historian whose services will be donated.

Respectfully submitted,

THE FOUNTAIN COMMITTEE

REPORT OF STATE REPRESENTATIVE STEVEN MAVIGLIO

Belknap County District One

Education, growth, and environmental issues dominated the 1988 session of the New Hampshire legislature, with more than 1,100 bills filed on these and other subjects.

On the environmental front, the legislature approved funding for a number of water pollution control projects in the Lakes Region. A bill mandating the inspection of waterfront septic systems upon sale of property or addition of living space also was approved, and should also help to improve water quality. The legislature also approved \$30 million in funding for the Trust for New Hampshire Lands to purchase outstanding land parcels and conservation easements.

The legislature also voted to create an Office of Community Assistance in the Office of State Planning to help small communities like ours plan for managed growth. OSP also worked with area residents to conduct the Squam Watershed program which will serve as a model for watershed protection throughout the state.

The squeeze for education funding continues. Legislation has been introduced to increase the state's share of school building aid. In addition, efforts to provide a minimum share of sweepstakes revenue to every community (ours currently receives no monies from sweepstakes) also are progressing in Concord.

During 1988, more than 350 letters and phone calls were received on various matters. Office hours are held on a monthly basis during the legislative session for anyone interested in finding out more about a bill, wanting a problem with a state agency solved, or to share information on legislation.

ANNUAL REPORT TO CENTER HARBOR

Stewart's Ambulance Service, Inc. continues to provide the Towns of Sandwich, Center Harbor, Moultonboro and Meredith with emergency ambulance service. In 1988 Stewart's responded to 30 calls for medical service in Center Harbor plus a number of service calls that did not require ambulance transport.

Stewart's Ambulance Service has 13 full-time employees and 8 permanent part-time employees, including 3 Paramedics and 10 Emergency Medical Technicians (EMT)-Intermediates, all of whom can provide Advanced Life Support (ALS) services. Basis EMT-Ambulance attendants can administer oxygen therapy and use MAST (Medical Anti-Shock Trousers), and 6 of our EMTs also are certified to use the cardiac monitor/defibrillators which are carried on all of their ambulances. In addition to these skills, EMT-Intermediates have the ability to start IVs, and have completed an Advanced Trauma Assessment program. Paramedics can do all of the above plus they have Advanced Cardiac Life Support training and can administer drugs to cardiac and other patients requiring immediate treatment in life-threatening situations.

Stewart's Ambulance provides the Towns with 2 ambulances staffed 24 hours a day, 365 days a year, and we have a third ambulance staffed 78% of the time. There was one incident where 4 ambulances were in one town concurrently, and there have been a number of occasions when 3 ambulances were required at the same time in one of the four Towns which we serve.

Stewart's Ambulance employees are required to put in a lot of time to maintain their skills, and they completed 1574 man hours of training which breaks down to 75 hours per person or approximately two weeks of training per year. Full-time employees actually put in more than two weeks training, but with part-timers included in training figures, our people average 75 hours per year. Stewart's has 7 CPR instructors on staff with 3 more employees awaiting training certification; these instructors hold classes for fire and police personnel as well as for the general public in our area. In December they taught three periods a day at Inter-Lakes High School as part of the school's health class curriculum. Stewart's has pledged to continue to be available for education of the public through classes and programs for local groups.

Stewart's was very recently honored as the 1988 Emergency Medical Services Provider of the Year. This award is sponsored and funded by the Laconia Lodge of Elks, and the recipient is chosen by representatives of Lakes Region General Hospital and the Emergency Medical Services District C-2. We are proud to have been recognized as being a forerunner in providing Advanced Life Support Services.

A public THANK YOU to the POLICE DEPARTMENT and FIRE DEPARTMENT for their cooperation and assistance during the past year. We really appreciate your help.

Respectfully submitted,

J. Robert Stewart, President

LAKES REGION PLANNING COMMISSION

1987-88

Over the course of the past fiscal year, the Lakes Region Planning Commission provided support and assistance to the Town of Centre Harbor at both the regional and local levels. The following list represents a sample of some of the ways in which the LRPC has assisted the community.

1. Provided the Planning Board with a list of consultants to do a sewer district study.
2. Attended a Planning Board meeting to discuss development of a Capital Improvements Program and an update to the town's Master Plan.
3. Attended several Planning Board meetings involving Senter's Market development proposal to answer questions from the Board.
4. Retyped Centre Harbor's land use regulations on the LRPC computer.
5. Provided current population estimates for Centre Harbor.
6. Provided the Planning Board with examples of zoning definitions for Bed and Breakfast Inns.
7. Provided information regarding Historic districts in Centre Harbor.
8. Provided assistance in determining the need for traffic impact analysis for a development along Old Meredith Road. Assistance included a meeting with the developer and attendance at a Planning Board Meeting.
9. Provided the Planning Board with information regarding road width standards.
10. Provided the Planning Board with examples from other communities regarding the merger of previously subdivided lots.

LAKES REGION FAMILY SERVICE ASSOCIATION

1. AGENCY PROGRAMS AND SERVICES:

Lakes Region Family Service Association, Inc. is a small social service agency, offering a counseling and a domestic violence program to residents of the Lakes Region. In 1988, the agency also began to sponsor and oversee the activities of the area's information and referral program.

A. Counseling Program:

The agency's counseling program includes individual adult, couples, child/adolescent/family counseling services. We also provide psychological testing and evaluation through our consultant, Leo R. Sandy, Ed. D. Our agency provides counseling services to residents of Centre Harbor in our one day per week satellite office in the Meredith Congregational Church and in our main office in the Belknap Mill. Clients are charged on a sliding scale basis and no one is denied services due to inability to pay.

The counseling program offers a variety of groups and workshops to residents of our area. These currently include the following:

Parenting Workshop: A thirteen week course for parents, teaching child development material and child management techniques.

Assertiveness Training: Workshops occur in the late afternoon and evening; participants learn interpersonal skills.

Adult Children of Alcoholics Program: The program includes educational workshops and therapy groups for adults who are experiencing problems as a result of growing up with an alcoholic parent(s).

Women and Self-Esteem: A one day workshop for women.

Communication Skills in the Workplace: A one day workshop primarily for secretaries and support staff.

B. Domestic Violence Program and Shelter:

The agency sponsors a comprehensive program of services to violent families. This includes a 24-hour crisis line, court and social service advocacy, support groups, family counseling, and shelter for battered women and their children. The shelter program is serving dramatically increased numbers with thirty-four women and nineteen children utilizing the facility in the first eight months of 1988. (In comparison, seventeen women and twenty-four children were sheltered in the first eight months of 1987.)

The agency relies heavily on support from area towns to fund the domestic violence shelter. The Town of Centre Harbor is not billed when Centre Harbor residents stay at the shelter.

C. Information and Referral:

In May of 1988, Lakes Region Family Service began to house and sponsor the area's Information and Referral Program. The Lakes Region Community Services Council, which had previously administered the program, was no longer in a position to continue in this role. Lakes Region Family Service was approached by Lakes Region United Way in conjunction with the

Information and Referral advisory committee, and an agreement for sponsorship was arranged. Information and Referral comes to us with some funding, and the incorporation of the program does not increase our request from your town. You may be interested to know that Information and Referral staff handle over 200 calls and walk-in inquiries per month concerning social services in our region.

2. CENTRE HARBOR: NUMBERS SERVED

	Total Families Served	Centre Harbor Families Served
1984	836	18
1985	856	17
1986	886	18
1987	876	18

Substantial numbers of Centre Harbor families continue to use our services; these clients have included shelter residents and clients who were counseled both in Meredith and Laconia.

3. We enclose a copy of our overall agency budget. The "1988 Budget" represents the operating budget for this year.

We are requesting \$1500 to help support the agency counseling program, \$500 for domestic violence crisis services, and \$500 to help fund our shelter for battered women and their children.

INTER-LAKES DAY CARE CENTER AND NURSERY SCHOOL

During 1988 our building, the Bixby House, was expanded to include much needed space for jackets, hats and belongings for each child. Along with the new cubby room, an art storage closet, teacher coat closet, broom closet, and additional bathroom facilities were also gained. Children, parents, and teachers all benefit from the new addition.

In 1988 the Center, with its various programs for children ages two years six months to twelve years, served 148 children from 110 families. The Inter-Lakes Day Care Center Inc. is a private, non-profit, fully licensed, tax-exempt child care program incorporated in October 1971, and governed by a volunteer Board of Directors comprised by community citizens and parents. Our school is open on a year-round basis from 6:30 am to 5:30 pm making it possible for parents to maintain employment. As a participant in the New Hampshire Child Care Food Program sponsored by USDA 10,690 hot lunches, 2,418 breakfasts and 19,403 snacks were served during the year.

Our goals and primary responsibilities to working families are to provide a stimulating atmosphere with a program of social, emotional, physical and cognitive development for all ages. The children receive creative and educational experiences, field trips, weekly movies, and many other enrichment activities. In addition, we provide a full range of services of health care, nutrition, dental care and screening, vision and hearing screening, child behavior and development with parenting education and resource availability for the entire family.

Programs offered include full and part time child care, a Nursery School Program open to children of non-working parents, a Seven-Upper Program for school children before and after school and during vacation, individualized special needs for handicapped children or those in protection from abuse and neglect. For the fifth year we are sponsoring a network of licensed Family Day Care Homes receiving federal reimbursement from USDA by serving nutritious meals and snacks while providing care for children of working parents in their homes. We currently have 31 homes under this program.

The total budget of the Inter-Lakes Day Care Center for 1989 is \$235,201. Of this we will be receiving in tuition paid by parents \$158,232. \$8,500 from the N.H. Child Care Food Program(USDA), \$8,207 from N.H. Child Care Food Program (USDA) for sponsorship of Family Day Care Homes, and \$7,125 from United Way. This also includes the following: \$53,137 of which \$33,000 is Title XX and \$20,137 which must be raised in local funding under Title XX.

NEW HAMPSHIRE HUMANE SOCIETY

Office of Selectmen
Town of Centre Harbor
Centre Harbor, New Hampshire

Dear Selectmen:

The 1988 totals of the number of animals brought to the N. H. Humane Society shelter from your town are as follows:

By your Animal Control Officer	
Dogs and Puppies:	7
Cats and Kittens:	1
Total	<u>8</u>
From Local Residents:	
Dogs and Puppies	20
Cats and Kittens	19
	<u>39</u>
Non-Domestic Animals	2
	<u>49</u>

We are enclosing a copy of the report on all towns that used the shelter facilities and services in 1988. Your Society's shelter has been inspected and licensed by the State and fulfills your licensed dog pound requirements. It also complies with RSA 442-A, the Rabies Control Act for holding stray dogs.

Every town has stray animal problems. We encourage your town and especially your Animal Control Officer to use our services more in 1989.

Sincerely,

FRITZ T. SABBOR
Executive Director

THE LAKES REGION ASSOCIATION
Report of the Executive Secretary
July 1, 1987 to June 30, 1988

The Cooperative Advertising and Mailing program of the Association is our major program each year. This past year we had four Chambers of Commerce and the Lakes Region Attractions working cooperatively, raising \$16,667.00, which was matched with a Matching Grant from the State for \$16,667.00 giving us a total advertising budget of \$33,334.00. This is an increase over the previous year.

This amount made it possible to purchase \$20,000.00 in magazine advertising, using 19 different media, and \$13,334.00 in newspapers, using 18 different locations. This brought in 49,443 individual requests for literature at an over-all cost of 66 cents each. An out-standing value.

The Lakes Region Attractions did not use Television this past year, but did insert their May/Guide in four Massachusetts newspapers. They printed over 926,000 copies of the Map/Guide and all were distributed.

We continue to publish and distribute the WHERE TO Book annually, as well as distribute several navigational charts of our lakes.

We are currently working on a survey of two thousand, which is one out of each 22 requests we received for information on the Region. This brought us in over 400 questionnaires of over 20% replies. From this we learned that our literature was most helpful, and that most people contacted came to the Lakes Region, one-third had been here previously, they utilized all types of accommodations, they stayed an average of 7.1 days (which is above the national travel figures), and they spent an average of \$108.00 per day per person. Most plan to return again. Predominantly they were from New York/New Jersey and Massachusetts, and they came during eleven months of the year. All proving that our vacation travel business is healthy.

We strive to preserve the quality of life in the Region and to preserve the Natural Resources of our lakes, our fields and our forests, so that they can be enjoyed by our residents and visitors, but for those that are to come after us.

The Lakes Region Association is pledged to work in concert with our communities for mutual goals.

Respectfully submitted,

Mildred A. Beach, Exec. Sec.
The Lakes Region Association
